

ROMANTIC LUSTRE

Stepping into the Beautique is like stepping into a wonderful dream. It demonstrates that a small space doesn't have to compromise on luxury and style.

The Beautique is fully customisable; with options to rearrange the layout to accommodate a desired plot; extend or reduce the footprint; alter fabrics and colours; or even combine two or more suites to create multiple rooms on one chassis.

You won't want to leave after a night spent in this fascinating little addition to the Aspire range!
